

Hello StrongStart Families:

I hope that you are well and staying safe during these challenging times. We are working hard in New West Schools to create a plan to allow communication and connection with StrongStart to continue. We know that this will be very different and may take us some time to figure it out.

For now, I had an idea for a kids activity you may want to do. Make a rainbow picture and hang it in your window. The Rainbow is a symbol for peace and serenity. Something we all need at this time!

I want to send a very special thank you to our Healthcare Professionals, First Responders and all those making it possible for us to have continued access to supplies, groceries and medications. I wish everyone good health and please follow all directions from the Government and Health Authorities. There are still many ways that you can continue learning and connection at home. Visit friends and family virtually. Have virtual playdates. We all need to be kind and work together!!!!

Also, ready set learn (Friday April 3) is cancelled.

During this time I will be available via email and I will send regular email updates with learning activities that you can do at home with your child.

Thank you so much for your patience.

Virtual Hugs and distant toe-taps!

Ms. Irina
