Principal's Message:

In sports, our Grade 8 Boys Basketball team went 1-1 this past week with two road games at FRMS (loss) and Alpha Secondary (win). It's great to see the team coming together and improving with each passing game. Coming up this week, the team goes on the road again with a pair of games in Burnaby versus North and Central. Go Tsunami!

As November came to an end this week, students began their third exploratory rotation of the school year. However, our exploratory and PE classes will be paused for the next two weeks as Moana preparations and rehearsals will be in full swing.

The winter production is a wonderful community-building event for our school, as all students are given the opportunity to either be part of the musical chorus, cast, set and stage design or event planning. Our expectation is that all students in the school will be participating in **both the 1:15pm and 7:00pm shows**. Students have been busy learning the songs for the musical during their Music classes for the last few weeks. All classes (except for actors & backstage crew) will be on the risers to the left and right of center stage during the actual performance to sing and/or participate in the chorus. In preparation for the evening performance, all cast members are asked to be at the school by 6:00 p.m. All other students are expected to be in their classrooms at **6:30 pm on Thursday, December 14**. The performances are approximately 75 minutes each.

Finally, our Moana ticket sales went live as of December 1st. Each person attending must have a ticket to enter. Adult tickets are \$12.00 each and high school students are \$8.00 each (no refunds will be given). Children under 12 are free but must have a ticket to attend. Families can purchase tickets through School Cash Online until December 8th (in limited quantities). If quantities allow, we will be doing a second release of tickets on School Cash after December 8th.

Enjoy your Sunday!

Students may go home for lunch **only** if they have a permission form signed by their parent or guardian.

QMS Learning Goal for 2023.2024

For the upcoming school year, our staff has decided our learning focus for the coming year. For the last two year's our goal focused on developing the five SEL competencies with our students: self-awareness, self-management, relationship skills, social awareness and responsible decision-making. This year we aim to develop and transfer these SEL skills so students can navigate technology and the online world. Our school learning plan is on our school website.

Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive. At times, teachers may permit students to bring their devices into the classroom for educational purposes; otherwise they should be secured in their lockers.

Reporting Student Absences:

Breakfast Program: **VOLUNTEERS NEEDED!**

Students can enjoy a delicious and nutritious breakfast in the Foods Room every Wednesday morning (8:00-8:30 am) for only 50 cents.

We'd love to expand the program to more than one day per week. If you would like to volunteer (one hour commitment) please email PAC Chair Leanne Mackie (qmispac2013@gmail.com).

School Routines and Expectations:

QMS Code of Conduct

The QMS Code of Conduct follows the guidelines of the BC Human Rights Code. QMS Staff, Students, Parents and any visitors to the school are expected to follow the Code of Conduct.

The purpose of the QMS Code of Conduct and Code of Consequences:

- ◆ To establish and maintain a safe, caring and orderly environment for purposeful learning
- ◆ To clarify and publish expectations for student behavior at school, going to and from school, and while attending any school function or activity at any location
- ◆ To promote the values expressed in the **BC Human Rights Code** respecting the right of all individuals in accordance with the law-prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation or gender identity-in respect of discriminatory publication and discrimination in accommodation, service and facility in the school.

Acceptable Behaviour for QMS Students:

- ◆ Showing Respect, Compassion and Integrity
- ◆ Respecting self, others, the learning environment and the surrounding environment
- ◆ Helping to make the school a safe, caring and orderly place
- ◆ Informing an adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment or intimidation
- ◆ Engaging in purposeful learning activities in a timely manner
- ◆ Acting in a manner that brings credit to QMS

Unacceptable Conduct for QMS Students:

- ◆ Behaviours that:
 - Interfere with the learning of others
 - Interfere with an orderly environment
 - Create unsafe conditions
- ◆ Acts of:
 - Bullying, harassment or intimidation
 - Physical violence
 - Retribution against a person who has reported incidents
 - Discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or gender identity (prohibited grounds set out in the **BC Human Rights Code**)
- ◆ Illegal acts, such as:
 - Possession, use or distribution of illegal or restricted substances
 - Possession or use of weapons
 - Theft of or damage to property

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

**RESPECT &
RESPONSIBILITY**
