Principal's Message:

Absolutely spectacular!! Congratulations and thank you to the students and staff for all their talents and efforts in putting together two amazing performances of Moana Jr. It truly takes a village to pull off such a significant undertaking, and we are so very proud of the commitment and support of our QMS community. As we celebrate our school's 20th anniversary, the QMS winter musical production continues to be a beautiful tradition and a wonderful community building event for our school.

After weeks of students rehearsing scenes, singing songs, designing and building sets and backdrops, creating and gathering props, organizing hair and make-up products, coordinating beautiful costumes - it was amazing to see it all come together! We know that an undertaking of this size isn't possible without the support of a dedicated staff that wholeheartedly recognizes the impact of their efforts. Indeed, the memories that are created and the overwhelming feedback we receive from families and guests each year is what energizes us and affirms our commitment to such a magical, community-building event. We are so very thankful and proud of our students and staff for their commitment to creating such a memorable and fulfilling experience!

Thank you also to our QMS PAC for all their fundraising efforts, raising over \$950 with the 50/50 raffle. Thank you also to Ms. Takhar and her Leadership students with their bake sale and to all those who supported it. Finally, thank you to all those who attended our Moana performances - your support is greatly appreciated!

With only 5 days to go before the winter break, we are entering *Spirit Week* at QMS, and we'll end the week with our traditional musical slideshow and sing-along.

Have a restful weekend.

QMS Learning Goal for 2023.2024

For the upcoming school year, our staff has decided our learning focus for the coming year. For the last two year's our goal focused on developing the five SEL competencies with our students: self-awareness, self-management, relationship skills, social awareness and responsible decision-making. This year we aim to develop and transfer these SEL skills so students can navigate technology and the online world. Our school learning plan is on our school website.

Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive. At times, teachers may permit students to bring their devices into the classroom for educational purposes; otherwise they should be secured in their lockers.

School Routines and Expectations:

QMS Code of Conduct

The QMS Code of Conduct follows the guidelines of the BC Human Rights Code. QMS Staff, Students, Parents and any visitors to the school are expected to follow the Code of Conduct.

The purpose of the QMS Code of Conduct and Code of Consequences:

- ◆ To establish and maintain a safe, caring and orderly environment for purposeful learning
- ◆ To clarify and publish expectations for student behavior at school, going to and from school, and while attending any school function or activity at any location
- ◆ To promote the values expressed in the **BC Human Rights Code** respecting the right of all individuals in accordance with the law-prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation or gender identity-in respect of discriminatory publication and discrimination in accommodation, service and facility in the school.

Acceptable Behaviour for QMS Students:

- ◆ Showing Respect, Compassion and Integrity
- ◆ Respecting self, others, the learning environment and the surrounding environment
- ◆ Helping to make the school a safe, caring and orderly place
- ◆ Informing an adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment or intimidation
- ◆ Engaging in purposeful learning activities in a timely manner
- ◆ Acting in a manner that brings credit to QMS

Unacceptable Conduct for QMS Students:

- ◆ Behaviours that:
 - Interfere with the learning of others
 - Interfere with an orderly environment
 - Create unsafe conditions
- ◆ Acts of:
 - Bullying, harassment or intimidation
 - Physical violence
 - Retribution against a person who has reported incidents
 - Discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or gender identity (prohibited grounds set out in the **BC Human Rights Code**)
- ◆ Illegal acts, such as:
 - Possession, use or distribution of illegal or restricted substances
 - Possession or use of weapons
 - Theft of or damage to property

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

**RESPECT &
RESPONSIBILITY**
